Notice of Copyright Protection

These specifications and certain standard details provided in this Manual, in the format presented along with content, are copyrighted (US Copyright Office, Certificate No. TX4-222-706). ALL RIGHTS ARE RESERVED. No part of this book may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopying, recording or by any informational storage or retrieval system without the express written permission from Appian Consulting Engineers, PA, Rocky Mount, NC.

Notwithstanding, the City of Wilson has been granted, in writing, permission to reproduce and transmit these documents to the public in either printed or uneditable digital format at their discretion for the design and construction of City projects.

Permission is also herein granted to design professionals and design firms for the inclusion of these copyrighted documents in either printed or uneditable digital format in the design documents they prepare relating to either public or private construction projects occurring either within or under the jurisdiction or purview of the City of Wilson. Furthermore, reproduction and transmission of these documents is granted provided these documents, or portions thereof, remain unaltered and acknowledgement is given, by reference, as to the origination/source of the documents, or portions thereof, to be excerpted.
